

Dear "Platinum cardholder"

You have received together with your Platinum Visa card, an additional card "Priority Pass" which gives you access to more than 600 airport lounges in over 300 cities worldwide.

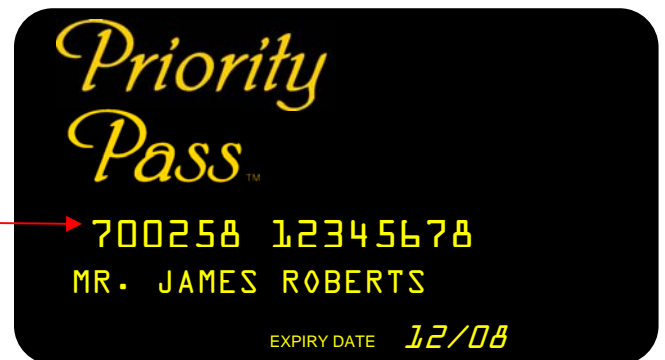

This service is available to you and your guests regardless of airline or class of travel. When entering a lounge, members present their Priority Pass membership card to the receptionist who will then ask them to sign a "Record of Visit" voucher or will swipe the card electronically to record the visit. Guests are welcome too.

We invite you to visit Priority Pass website before you travel to check if an airport lounge is available to you during your airport stopovers.

Priority Pass website is constantly updated with the latest lounge opening so you can access [www.prioritypass.com](http://www.prioritypass.com) and click on:

- "Find your lounge" to find out if a lounge is available at a particular airport
- "Member login" to register free of charge to Priority Pass monthly e-newsletter by entering your Priority Pass Number and your e-mail address. The e-newsletter will keep you updated with the latest information and offers available from Priority Pass.
