Bahrain Cheque Truncation System (BCTS)

Seeking the customers' and clients' satisfaction and convenience, the Central Bank of Bahrain (CBB) with cooperation from the BENEFIT Company and all the commercial banks in Bahrain will implement the new Bahrain Cheque Truncation System (BCTS) in order to speed up the cheque processing and clearing to ONE business day.

Accordingly, customers/clients have the right to clear their cheques using the following two options:

Option 1 (Regular Session):

- Cheques cleared in this session are FREE.
- Customers can deposit their cheques up to 10:00 am and will receive their funds in the same deposit day by 2:30 pm.
- Customers depositing their cheques from 10:00 am and onwards will receive their funds in the next business day by 2:30 pm.

Option 2 (Special Session):

- Customers can deposit their cheques from 10:00 am till 12:00 pm. and will receive their funds in the same day by 2:30 pm.
- Bank may charge the customer for such service.
