

MasterCard SecureCode Registration Demo

Welcome to Credit Libanais SAL

MasterCard® SecureCode™

As a valued Customer we are pleased to offer you
MasterCard SecureCode

MasterCard SecureCode protects your card against
unauthorised use at participating retailers.

If you make a purchase in a shop, you sign a
receipt to validate the transaction. MasterCard
SecureCode mimics this process over the Internet
by providing a digital receipt that you sign off with
your own personal password.

To enroll, click on the "register now" button on the
right and follow the instructions. You will be
requested to enter some personal information to
authenticate you before creating your personal
password to be used for shopping at participating
online retailers.

If you know your password and wish to change it,
use the "Already Enrolled" section and follow the
instructions. Otherwise, use "Forget your
Password", to re enter your authentication data
and create a new password.

MasterCard® SecureCode™ Terms of Service

Please read these Terms of Service carefully before using this site for online purchases.

Terms of Service

MasterCard SecureCode

Welcome and thank you for choosing to use the *MasterCard SecureCode* authentication service ("*MasterCard SecureCode*"). Please read this Terms of Service Agreement carefully before using *MasterCard SecureCode*. In this Agreement, "Issuer" refers to Credit Libanais SAL; "we," "us," and "our" refer to Issuer and its suppliers of card processing and web-hosting services; and "you," "your," or "yours" refers to the user of *MasterCard SecureCode*.

This Terms of Service Agreement supplements and is incorporated in Issuer's cardholder agreement(s) with you ("Cardholder Agreement"). In addition to this Terms of Service Agreement, *MasterCard SecureCode* also is subject to the Cardholder Agreement governing the card transactions for which *MasterCard SecureCode* is used.

It is recommended that you print and read the Terms of Service before "accepting" them to be able to move forward in the registration process.
